

1. Spiritual Growth 10th Grade

1. How would you describe your spirituality?

2. Do you have a person whom you trust, who can help you process questions about your spirituality?

Yes

No

3. How do your beliefs affect your life?

4. How do your beliefs support bonds with humanity and the world?

5. In terms of spirituality, is there something you would like to learn more about?

* 6. Spiritual growth is an awareness of your inner spirit or soul and your connection with the sacred or wider universe. As you discover your beliefs, you grow a sense of identity and meaning in life, which in turn strengthens your bonds to humanity and the world.

Not at all true- 0 1 2 Slightly true - 3 4 5 6 Mostly true - 7 8 9 Very true 10

Overall, I view my spiritual growth as optimal.

7. Further Reflections

* 8. How long did this conversation last in minutes?
